About Us

At Floret, we believe that the world is one big garden. The primary goal of Floret is to provide a one-stop solution for all nature lovers, catering to their gardening needs and passions.

With a complete range of ornamental indoor and outdoor plants (including young plants, liners, and potted plants) alongside a comprehensive selection of gardening tools and planters, Floret is your essential partner for all types of indoor and outdoor plants, planters, commercial landscaping, and accessories for both B2B and B2C customers.

The founders of Floret bring extensive and solid experience in the ornamental and outdoor plant industry, with expertise in operations and best production practices. Our innovative methods and professional approach make Floret a leader in the field.
